

PROJECT EXL-2 REFLECTION

1. What I liked about this lesson?
 - a. Response: What I liked about this lesson is being able to organize and answer questions about The Hub.
2. What I didn't like about this lesson?
 - a. Response: What I didn't like about this lesson is how complicated it was, and trying to keep up with other people because they weren't on the same column everybody else was on, it was also a lot to type and do.
3. What I would or could do to make it better?
 - a. Response: What I would do to make it better is trying to make it easier to type and trying to keep everybody on the same part.
