

Project WRD-1 Reflections

1. What I liked about this lesson?
 - a. What I liked about the lesson is that we had to type the press release as if we were actually sending it to the newspaper, radio station, television etc.
2. What I didn't like about the lesson?
 - a. What I didn't like about the lesson is that it took a long period of time and we had to type a lot.
3. What would I do to make it better?
 - a. What I would do to make it better is try not to have a lot of stuff to type and make it more interesting by maybe actually sending it to somebody or maybe even emailing it to somebody that is not in our class or doing an activity with it.
